**3 Light Pendant - Polished Chrome**

This versatile 3 light chandelier can be used in corridors and other living areas, but is also IP44 rated for safe use in bathrooms. An integrated LED illuminates the central acrylic rod for a distinctive lighting effect, while clear cut glass shades create a sparkling effect when the included LED G9 bulbs are lit. Available in two elegant finishes — Polished Chrome and Brushed Nickel — this light adds a touch of sophistication to any space. The extension rods can be removed to make this a semi-flush ceiling fitting.
