1 Light Wall Lantern - Galvanised

This 1 light wall lantern draws on mid-century Scandinavian style with a modern twist. It is rated IP55 and uses Galvanised steel for durability, making it suitable for all exterior settings, even in coastal locations. It features a circular backplate, a domed roof and wide brimmed shade with a pill-shaped clear Polycarbonate shade, further protected by the metal frame. It comes with an 8 year warranty against severe corrosion.
